

Q1 After reflecting on your responses to the previous survey and given the opportunity, what community need would you like to address?

Answered: 19 Skipped: 0

Answer Choices	Responses
Adopt and mentor Kindergarten/1st grade students in our school and teach them about playground safety at school, home, and in area parks.	21.05% 4
Design a home safety checklist for senior citizens then assist them in completing a home safety assessment. Afterwards, students will teach them how they can reduce their risk for injuries by addressing unsafe areas in the home.	15.79% 3
Teach youth in our community about how protective equipment in sports will prevent injuries. Students will distribute donated protective equipment and instruct area youth how to properly use the equipment.	31.58% 6
Design and oversee a "Bike Safety Day" to teach children/youth in the community about helmet use during riding activities.	31.58% 6
Total	19
